HIP-HOP

It could have been hard for B.o.B's debut album to live up to "Nothin' on You," the smash first single that pairs his charming rhymes ("You're my Wonder Woman/ Call me Mr. Fantastic") with the creamy crooning of Bruno Mars for maximum spring bliss. But with this daring effort, B.o.B (né Bobby Ray Simmons) joins Drake and Kid Cudi in hip-hop's new legion of heroes. The rapper-singer creates a wildly eclectic mix, lifting from Marvin Gaye, Vampire Weekend and the Gershwins, while jamming with T.L. Weezer's Rivers Cuomo and Paramore's Hayley Williams (on the soaring "Airplanes").
